17 Pcs Extra Long Flex-Head Ratcheting Wrench Set With Case

Equipped with **15PCS** replacement heads, it will meet your needs for various tasks

14mm wrench is suitable for 8, 9, 10, 11, 12mm heads
19mm wrench is suitable for 13, 15, 16, 17, 18, 21, 22mm heads

Enjoy a **variety** of options with our wrench set

Our design of "an assembly of a wrench and sockets and replacement heads" has obtained the US patent. It is equipped with 3 types of socket drive adapters and 12PCS replacement heads, which will meet your different needs.

Easy to install

Installation steps

Press the sleeve in the direction of the arrow to install the sleeve and operate with one hand. Sleeve adopts anti-drop groove design and is more difficult to fall off.
